CEMENT MASONS AND PLASTERERS HEALTH AND WELFARE TRUST

This is a summary of the annual report of the Cement Masons and Plasterers Health and Welfare Trust (EIN 91-1106482, Plan No. 501) for the year beginning April 01, 2016 and ending March 31, 2017. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

The Board of Trustees of Cement Masons and Plasterers Health and Welfare Trust has committed itself to pay all medical, dental, vision, time loss benefit and prescription drug claims incurred under the terms of the plan.

Insurance Information

The plan has insurance contracts with Willamette Dental Of Washington, Inc., Companion Life Columbia, SC, and Lifemap Assurance Company to pay certain Dental, Stop loss, and Life insurance claims incurred under the terms of the plan. The total premiums paid for the plan year ending March 31, 2017 were \$846,268.

Because the contract with Willamette Dental of Washington, Inc. is a so called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending March 31, 2017, the premiums paid under such "experience-rated" contract were \$189,821 and the total of all benefit claims paid under such "experience rated" contract during the plan year ending March 31, 2017 was \$170,653.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$14,725,421 as of March 31, 2017, compared to \$12,067,163 as of April 01, 2016. During the plan year, the plan experienced an increase in its net assets of \$2,658,258. This increase included unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$15,095,387, including employer contributions of \$13,149,097 participant contributions of \$1,303,436, realized loss of \$(8,658) from the sale of assets, earnings from investments of \$459,646 and other income of \$191,866.
