STATEMENT OF RIGHTS REGARDING THIS AUTHORIZATION

General Rights. I understand I am not required to sign this form and that a Covered Entity receiving it cannot condition treatment, payment or eligibility on my decision to sign this form. I understand, however, that a health plan can condition enrollment in the Plan or eligibility for benefits on receiving an authorization if the purpose is to allow the health plan to obtain information it needs to make an eligibility, enrollment or underwriting decision and psychotherapy notes are not requested.

Right to Revoke. I understand that I have the right to revoke this authorization in writing except as to uses and/or disclosures already made in reliance on it. Authorization revocation forms can be obtained by contacting the Contact Person listed in my Health Plan's Privacy Notice.

Effect of Disclosure. I understand that if the persons to whom my health information is disclosed are not subject to the HIPAA Privacy Rule (i.e. are not a health plan, health care provider or health care clearinghouse), the disclosed health information may no longer be protected by the HIPAA Privacy Rule and may be redisclosed without my authorization.

Retention and Right to Copy. I understand that a Covered Entity which receives this Authorization must retain a copy and that I am required to receive a signed copy as well.

Provisions Related to Psychotherapy Notes. I understand that an Authorization is required for any use or disclosure of psychotherapy notes except in the limited situations dealing with treatment, training or defense of legal actions as defined in 45 CFR 164.508(a)(2).

This will apply when the individual is deceased, a personal representative has been designated in accordance with applicable law, or the individual is an unemancipated minor and state law does not prohibit disclosure to a parent or other guardian. The Health Plan reserves the right to decline to recognize an individual as a personal representative if there is a reasonable belief that the individual whose information would be disclosed has been or could be subject to abuse, neglect or endangerment by disclosure.
