Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	No.	You will have to meet the deductible before the plan pays for any services.
Are there other <a href="#">deductibles</a> for specific services?	Yes, \$50 for the Traditional Dental Plan. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$3,300 person / \$6,600 family for covered medical expenses. Tiers 1 & 2 prescription drugs: \$3,300 person/ \$6,600 family, per calendar year. No limit for Tier 3.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billed</a> charges, health care this <a href="#">plan</a> doesn't cover, Tier 3 non-formulary brand <a href="#">prescription drugs</a> , private duty nursing, penalties, dental, and vision.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Not Applicable	This <a href="#">plan</a> does not use a <a href="#">provider network</a> . You can receive covered services from any <a href="#">provider</a> .
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
