The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-367-0528. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or call 1-877-367-0528 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$2,000 per person / \$4,000 per family.	Generally, you must pay all of the costs from <u>provider</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care, copays, home health care and prescription drugs are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive</u> services without cost sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical: \$3,500 per person / \$7,000 per family. Prescription drugs: \$3,000 per person / \$6,000 per family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billed charges, and health care this plan does not cover, ER and hospital penalties, and penalties for failure to receive preauthorization (waived when Medicare is primary).	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. Network hospitals, surgical centers and outpatient physical therapy in Anchorage are Alaska Regional Hospital, Surgery Center of Anchorage, New Frontier Anesthesia, Mat-Su Regional Hospital, Alaska Hand Rehabilitation, Ascension Physical Therapy, and Chugach Physical Therapy.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Important Questions	Answers	Why This Matters:
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
