YES - I elect to have additional contributions made to the Cement Masons and Plasterers 401(k) Trust, which I understand will reduce the wages or salary that I would otherwise be paid under the Collective Bargaining Agreement or Associate Agreement. I understand these will be employee pre-tax contributions to a 401(k) trust. I have indicated below the level of contributions I wish to have deducted from my wages or salary below.

If you will not yet be age 50 by December 31, 2024, then please check one box below.

\$1.00	\$2.00	\$3.00	\$4.00	\$5.00	\$6.00	\$7.00	\$8.00

If you will be age 50 or older before January 1, 2025, you may choose from one of the boxes above OR choose catch-up contributions by electing one of the two options below.

\$9.00	\$10.00

Employees participating under the terms of an Associate Agreement for non-bargaining unit employees should confirm eligibility with their employer.

Important Notes:

- If you do not make an election above, or if you do not return your form timely, your contribution rate will be \$0.00. Note, you will have to wait until the next open enrollment period to change.**
- You can change to \$0.00 at any time during the year.**
- The level of contributions you may choose is your choice. The Trust provisions, including distribution option rules, will be outlined in the Cement Masons and Plasterers 401(k) Trust Booklet which will soon be available upon request and on the Trust website www.cementmasonstrust.com, under the 401(k) tab).

TERMINATION OF DEFERRALS
