ANNUAL FUNDING NOTICE FOR CEMENT MASONS AND PLASTERERS RETIREMENT PLAN

Introduction

This notice provides key details about your pension plan (the “Plan”) for the plan year beginning January 1, 2024 and ending December 31, 2024 (the “Plan Year”).

This is an informational notice. You do not need to respond or take any action.

This notice includes:

- Information about your Plan’s funding status.
- Details on your benefit payments guaranteed by the Pension Benefit Guaranty Corporation (PBGC), a federal insurance agency.

What if I have questions about this notice or my Plan?

Contact your plan administrator at:

- **Welfare & Pension Administration Service, Inc.**
- **Phone:** (206) 441-7574
- **Address:** P.O. Box 34203, Seattle, Washington 98124

To better assist you, provide your plan administrator with the following information when you contact them:

- **Plan Number:** 001
- **Plan Sponsor Name:** Cement Masons and Plasterers Retirement Plan
- **Employer Identification Number:** 91-6066773

What if I have questions about the PBGC and the pension insurance program’s guarantees?

Visit www.pbgc.gov/generalfaqs for more information. For specific information about your pension plan or pension benefits, you should contact your employer or plan administrator as the PBGC does not have that information.

Federal law requires all traditional pension plans, also known as defined benefit pension plans, to provide this notice every year regardless of funding status. This notice does not mean your Plan is terminating.

How Well Funded Is Your Plan?

The law requires the plan administrator to explain how well the Plan is funded, using a measure called the “funded percentage.” The funded percentage is calculated by dividing Plan assets by Plan liabilities. In general, the higher the funded percentage, the better funded the plan. Plan liabilities are the present value of the benefits promised by the Plan, determined using a market- related interest assumption. The chart below shows the Plan’s funded percentage for the Plan Year and the two preceding plan years. It also lists the value of the Plan’s assets and liabilities for those years.

Funded Percentage			
	2024	2023	2022 (Short Plan Year)
1. Last day of relevant plan year	January 1, 2024	January 1, 2023	April 1, 2022
2. Plan assets	\$433,708,746 ¹	\$416,768,617	\$398,338,606
3. Plan liabilities	\$407,849,551	\$394,775,268	\$382,674,531
4. Funded percentage (Line 2 ÷ Line 3)	106%	106%	104%

Year-End Fair Market Value of Assets

To provide further insight into the Plan’s financial position, the chart below shows the fair market value of the Plan’s assets on the last day of the Plan Year and each of the two preceding plan years as compared to the actuarial value of the Plan’s assets.

- **Actuarial values (shown in the chart above)** account for market fluctuations over time. Unlike market values, actuarial values do not change daily with stock or market shifts.
- **Market values (shown in the chart below)** fluctuate based on investment performance, providing a more immediate snapshot of the plan’s funding status.

	December 31, 2024	December 31, 2023	December 31, 2022
Fair Market Value of Assets	\$446,308,702 ²	\$427,012,424	\$395,161,128

¹ The Plan filed an asset method change with the IRS which would be effective January 1, 2024. It is still pending approval. If there was no change to the asset method, the Value of Assets as of January 1, 2024 would be \$433,273,675 and the funded percentage would still be 106%.

² The December 31, 2024 fair market value of assets figure is an estimate based on the Plan’s unaudited financial statements. The final figure may differ from this estimate once the Plan’s regular audit is issued for the Plan Year.

Endangered, Critical, or Critical and Declining Status

Under federal pension law, a plan's funding status determines the steps a plan must take to strengthen its finances and continue paying benefits:

- **Endangered:** The plan's funded percentage drops below 80 percent. The plan's trustees must adopt a funding improvement plan.
- **Critical:** The plan's funded percentage falls below 65 percent or meets other financial distress criteria. The plan's trustees must implement a rehabilitation plan.
- **Critical and Declining:** A plan in critical status is also designated as critical and declining if projected to become insolvent—meaning it will no longer have enough assets to pay out benefits—within 15 years (or within 20 years under a special rule). The plan's trustees must continue to implement the rehabilitation plan. The plan's sponsor may seek approval to amend the plan, including reducing current and future benefits.

The Plan was not in endangered, critical, or critical and declining status in the Plan Year.

Participant and Beneficiary Information

The following chart shows the number of participants and beneficiaries covered by the Plan on the last day of the Plan Year and the two preceding years. The numbers for the Plan Year reflect the plan administrator's reasonable, good faith estimate.

Number of participants and beneficiaries on last day of relevant plan year	2024	2023	2022 (Short Plan Year)
1. Last day of relevant plan year	December 31, 2024	December 31, 2023	December 31, 2022
2. Participants currently employed	1,419	1,362	1,381
3. Participants and beneficiaries receiving benefits	961	966	960
4. Participants and beneficiaries entitled to future benefits (but not receiving benefits)	649	699	650
5. Total number of covered participants and beneficiaries (Lines 2 + 3 + 4 = 5)	3,029	3,027	2,991

Funding & Investment Policies

Funding Policy

Every pension plan must establish a funding policy to meet its objectives. The funding policy relates to how much money is needed to pay promised benefits. to confirm that the minimum funding requirements of ERISA are being satisfied and to determine that anticipated employer contributions will not exceed the amounts deductible under the Internal Revenue Code.

Investment Policy

Pension plans also have investment policies that provide guidelines for making investment management decisions. The Plan's investment policy is to invest the assets of the Fund in the sole interest of Plan participants and their beneficiaries, provide benefits and defray reasonable expenses of plan administration in a prudent manner and diversify assets to minimize the impact of large losses in individual investments. The long-term objectives of the Plan are to invest assets in a reasonably diversified manner in order to reduce volatility, to obtain the minimum total return necessary to adequately fund benefit liabilities, and to exceed inflation, asset category benchmarks and the performance of the median total fund in a diversified universe of other qualified multiemployer pension trusts.

As of the end of the Plan Year, the Plan's assets were allocated among the following investment categories as percentages of total assets:

Asset Allocation	Percentage
Public equity	<u>41%</u>
Private equity	<u>0%</u>
Investment grade debt instruments	<u>30%</u>
High-yield debt instruments	<u>3%</u>
Cash and cash equivalents	<u>0%</u>
Real Estate	<u>15%</u>
Other	<u>11%</u>

The average return on assets for the Plan Year was 7.2%.

Right to Request a Copy of the Annual Report

Pension plans must file an annual report, called the **Form 5500**, with the U.S. Department of Labor. The Form 5500 includes financial and other information about these pension plans.

You can get a copy of your Plan's Form 5500:

- **Online:** Visit www.efast.dol.gov to search for your plan's Form 5500.
- **By Mail:** Submit a written request to your plan administrator.
- **By Phone:** Call 202-693-8673 to speak with a representative of the U.S. Department of Labor, Employee Benefits Security Administration's Public Disclosure Room.

The Form 5500 does not include personal information, such as your accrued benefits. For details about your accrued benefits, contact your plan administrator.

Summary of Rules Governing Insolvent Plans

Federal law has a number of special rules that apply to financially troubled multiemployer plans that become insolvent, either as ongoing plans or plans terminated by mass withdrawal. The plan administrator is required by law to include a summary of these rules in the annual funding notice. A plan is insolvent for a plan year if its available financial resources are not sufficient to pay benefits when due for that plan year. An insolvent plan must reduce benefit payments to the highest level that can be paid from the plan's available resources. If such resources are not enough to pay benefits at the level specified by law (see Benefit Payments Guaranteed by PBGC, below), the plan must apply to PBGC for financial assistance. PBGC will loan the plan the amount necessary to pay benefits at the guaranteed level. Reduced benefits may be restored if the plan's financial condition improves.

A plan that becomes insolvent must provide prompt notice of its status to participants and beneficiaries, contributing employers, labor unions representing participants, and PBGC. In addition, participants and beneficiaries also must receive information regarding whether, and how, their benefits will be reduced or affected, including loss of a lump sum option.

Benefit Payments Guaranteed by PBGC

Only vested benefits—those that you've earned and cannot forfeit—are guaranteed.

What PBGC Guarantees

PBGC guarantees "basic benefits" including:

- Pension benefits at normal retirement age.
- Most early retirement benefits.
- Annuity benefits for survivors of plan participants.
- Disability benefits for disabilities that occurred before the earlier of the date the plan terminated or the sponsor's bankruptcy date.

What PBGC Does Not Guarantee

PBGC does not guarantee certain types of benefits, including:

- A participant's pension benefit or benefit increase until it has been part of the plan for 60 full months. Any month in which the multiemployer plan was insolvent or terminated due to mass withdrawal does not count toward this 60-month requirement.
- Any benefits above the normal retirement benefit.
- Disability benefits in non-pay status.
- Non-pension benefits, such as health insurance, life insurance, death benefits, vacation pay, or severance pay.

Determining Guarantee Amounts

The maximum benefit PBGC guarantees is set by law. Your plan is covered by PBGC's multiemployer program. The maximum PBGC guarantee is \$35.75 per month, multiplied by a participant's years of credited service.

PBGC guarantees a monthly benefit based on the plan's monthly benefit accrual rate and your years of credited service. The guarantee is calculated as follows:

1. Take 100 percent of the first \$11 of the Plan's monthly benefit accrual rate.
2. Take 75 percent of the next \$33 of the accrual rate.
3. Add both amounts together.
4. Multiply the total by your years of credited service to determine your guaranteed monthly benefit.

Example 1: Participant with a Monthly \$600 Benefit and 10 Years of Service.

1. Find the accrual rate: $\$600/10 = \60 accrual rate.
2. Apply PBGC formula:
Take 100 percent of the first \$11 = \$11
Take 75 percent of the next \$33 = \$24.75
3. Add the two amounts together: $\$11 + \$24.75 = \$35.75$
4. Multiply by years of credited service: $\$35.75 \times 10 \text{ years} = \357.50

In this example, the participant's guaranteed monthly benefit is \$357.50.

Example 2: Participant with a \$200 Monthly Benefit and 10 Years of Service.

1. Find the accrual rate: $\$200/10 = \20 accrual rate.
2. Apply PBGC formula:
Take 100 percent of the first \$11 = \$11
Take 75 percent of the next \$9 = \$6.75
3. Add the two amounts together: $\$11 + \$6.75 = \$17.75$
4. Multiply by years of credited service: $\$17.75 \times 10 \text{ years} = \177.50

In this example, the participant's guaranteed monthly benefit is \$177.50

Where to Get More Information

For more information about this notice, you may contact the Plan Administrator by phone at (877) 367-0528 or by mail at Welfare & Pension Administration Service, Inc., P.O. Box 34203, Seattle, Washington 98124. For identification purposes, the official Plan number is 001 and the Plan sponsor's name and employer identification number or "EIN" are: Cement Masons and Plasterers Retirement Plan, 91-6066773.
