

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-367-0528. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-877-367-0528 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500 per person / \$1,500 per family.	Generally, you must pay all of the costs from provider up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive care , copays and <u>prescription drugs</u> are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain <u>preventive</u> services without cost sharing and before you meet your deductible . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes, \$50 for the Traditional Dental Plan. There are no other specific deductibles .	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	Medical: \$3,500 per person / \$7,000 per family. For Non-Preferred facility and physical therapy providers in the Municipality of Anchorage: \$7,000 per person / \$14,000 per family. <u>Prescription drugs</u> : \$3,000 per person / \$6,000 per family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billed charges, and health care this plan does not cover, ER and hospital penalties, and penalties for failure to receive preauthorization.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.aetna.com/docfind and select Aetna Choice® POS II (Open Access) network for a list of network providers . Teladoc Teladoc.com 1-800-835-2362. Coalition Health Center www.coalitionhealthcenter.com 907-450-3300. Transcarent (non-emergency surgery outside Alaska) www.transcarent.com 844-249-8108.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Important Questions	Answers	Why This Matters:
	Network hospitals, surgical centers and outpatient physical therapy in Anchorage are Alaska Regional Hospital, Surgery Center of Anchorage, New Frontier Anesthesia, and Mat-Su Regional Hospital.	
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
