SUMMARY ANNUAL REPORT

CEMENT MASONS AND PLASTERERS HEALTH AND WELFARE TRUST

This is a summary of the annual report of the Cement Masons and Plasterers Health and Welfare Trust (EIN 91-1106482, Plan No. 501) for the year beginning April 01, 2023 and ending March 31, 2024. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

The Board of Trustees of Cement Masons and Plasterers Health and Welfare Trust has committed itself to pay all medical, dental, vision, time loss benefit and prescription drug claims incurred under the terms of the plan.

INSURANCE INFORMATION

The plan has insurance contracts with Willamette Dental Of Washington, Inc., The Union Labor Life Insurance Company, United Healthcare Insurance Company, and Lifemap Assurance Company to pay certain Dental, Stop loss, life insurance, and prescription drug claims incurred under the terms of the plan. The total premiums paid for the plan year ending March 31, 2024 were \$2,036,882.

Because the contract with Willamette Dental of Washington, Inc. is a so called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending March 31, 2024, the premiums paid under such "experience-rated" contract were \$322,581 and the total of all benefit claims paid under such "experience rated" contract during the plan year ending March 31, 2024 was \$249,777.

BASIC FINANCIAL STATEMENT

The value of plan assets, after subtracting liabilities of the plan, was \$35,856,718 as of March 31, 2024, compared to \$31,766,957 as of April 01, 2023. During the plan year, the plan experienced an increase in its net assets of \$4,089,761. This increase included unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$23,404,979, including employer contributions of \$19,588,312, participant contributions of \$1,400,132, gains of \$55,057 from the sale of assets, earnings from investments of \$1,916,213, and other income of \$445,265.

Plan expenses were \$19,315,218. These expenses included \$2,356,293 in administrative expenses, \$14,913,605 in benefits paid to participants and beneficiaries, and \$2,045,320 in benefits paid to insurance carriers for the provision of benefits. (Administrative expenses include administration fees, investment fees, auditing fees, attorney fees, banking fees, consulting fees and miscellaneous expenses).
